## SUMMARY

Dedicated Junior Web Developer with a passion for creating efficient and user-friendly web experiences. Proficient in front-end and back-end development, with a keen eye for detail and a commitment to delivering high-quality results. Eager to contribute to dynamic projects, expand technical skills, and collaborate with teams to build innovative digital solutions.

---

## WORK EXPERIENCE

### Junior Technical Consultant

Dec 2023 - Present

JCBA Solutions and Consultancy Inc.

- Played a key role in writing, modifying, and troubleshooting SAP Business One queries and reports, ensuring that client requirements were met and issues were resolved promptly.
- Actively provided technical support to SAP Business One users, diagnosing and resolving technical issues to minimize downtime and improve user experience.
- Utilized skills in HTML, CSS, PHP, jQuery, MSSQL, and SAP Crystal Reports to develop solutions and enhance system functionality.

### Web Developer Intern

Mar 2023 - Jun 2023

JCBA Solutions and Consultancy Inc.

- Proactively identified and resolved performance and user experience issues, significantly improving client satisfaction.
- Addressed and resolved most technical challenges, ensuring timely issue resolution.
- Collaborated with senior developers to update and enhance websites, driving the implementation of new features.
- Worked with HTML, CSS, PHP, jQuery, and MSSQL to deliver seamless, high-quality solutions.

---
